- 1. Set a default skin for all companies.
- 2. Set a skin for the current company.
- 3. Set the tool bar look and feel as the MDI tab interface for all companies.
- 4. Set the tool bar look and feel as the MDI tab interface for the current company.

Colour Scheme Maintenance

Colour Scheme Maintenance ^{s-u-c} allows you to set different colour pallets and styles to different components within Triumph to come up with a unique colour scheme.

Colour Pallet Set Up

Colour Pallet Set Up^{S-U-P} allows you to setup a basic style and colour pallets to then be used in colour schemes. It allows you to setup the look and feel of just about every visual component in Triumph.
