How do I backup my Triumph data?

Backup your Triumph data

NOTE: You will need to be the only user in the Company you wish to backup and the Company must be in Single User Mode.

To make a backup you need to use the "transfer out" option $\{S - D - T - O\}$

Transfer Company Out (Build Date: 16-Sep-2011)		
	Transfer Out Company	
	This wizard is used to transfer a company between sites and may be used to make a backup copy for a given company. Any company transfered out can be taken off-site worked on and later transfered in replacing the existing data. A transfer out must be to a folder on your hard drive. The latter may then be forwarded on by attaching the archive file to an email or via an external device such as a USB key.
